

Amendments to the Drawings:

The attached sheet of drawings includes changes to FIG. 4. This sheet replaces the original sheet for FIG. 4. Previously omitted elements, magnets 150 and snaps 152, have been added.

The Examiner has objected to the drawings under 37 CFR 1.83(a). The replacement drawings show every feature of the invention specified in the claims. The connection members being magnets and snaps are shown. No new matter has been entered.
